EXPERIENCE

Freelance

2019 — PRESENT

DoP & PRODUCER

- Directed and produced end-to-end video productions for agencies, startups, and established brands.
- Managed full project lifecycle: pre-production planning, on-set direction, cinematography, editing, and final delivery.
- Produced diverse content including brand films, corporate documentaries, social media campaigns, and event coverage.

Nays GmbH

2025

VIDEO EDITOR

- Executed post-production for long-form YouTube content for a fast-growing health and lifestyle brand.
- Managed the full editing pipeline: narrative pacing, color grading, sound design, motion graphics, and thumbnail creation.
- Collaborated with the creative team to develop a consistent visual language to boost audience retention and channel growth.

Growthartig Agency

2024

DoP & PRODUCER

- Directed and produced performance-focused video creatives for clients in e-commerce, coaching, and lifestyle.
- Led full production cycle: concept development, camera operation, on-set direction, and post-production.
- Delivered high-conversion vertical and horizontal ad assets optimized for Meta, TikTok, and YouTube.
- Coordinated closely with account managers and clients to align content with campaign KPIs and brand guidelines.

mymuesli AG

2019 — 2022

VIDEOGRAPHER & MOTION DESIGNER

- Produced video marketing campaigns for a leading DTC food brand to drive sales and customer engagement.
- Shot and edited product videos, brand films, and social media content.
- Created motion graphics and animated assets for digital advertising and internal communications.
- Worked cross-functionally with marketing, product, and design teams to maintain brand consistency.

Studioline Photography

2018 — 2019

PHOTOGRAPHER

- Executed professional photo shoots for private and corporate clients (portrait, product, event).
- Managed client communication, on-set direction, post-processing, and delivery.
- Developed expertise in lighting, composition, and studio workflow.
